A. No fireworks shall be discharged, exploded or ignited within five hundred feet of any firework stand, church, hospital, asylum, unharvested flammable agricultural crops, public schools, or public property.

B. Fireworks are to be discharged on July 1 through July 5 between the hours of 9:00 am and 10:00 pm on private property, and on July 4 only, between the hours of 9:00 am and 11:30 pm.

C. Consumer must have written permission from property owner to discharge fireworks upon private property from July 1 through July 5.

D. In the event of a county-wide or state-wide burn ban, the City Council may place additional restrictions on the discharge of fireworks as it deems appropriate.

We recommend you check this page annually in case the Ordinance is changed or a burn ban alters the restrictions.
