The following Departments are located inside City Hall:

[Administration](#), the office of the [City Manager](#).

[Utility Billing](#), responsible for handling all water, sewer, storm water, and trash billing.

[Municipal Court](#), where fines and court fees can be paid.

[Public Works](#) – Engineering, where street, and utility maintenance is conducted.

[City Planning](#), where zoning and comprehensive plan information can be obtained.

[Development Center](#), where building permits and inspections are accepted.

[Parks and Recreation](#), where pavilion rentals, events, and general information can be found.

[Code Enforcement](#), to report high grass and weeds, derelict vehicles, trash and debris, etc. The Code Enforcement officer is located at the [Fire Department](#).

To request work orders for Water, Sewer, Street, Parks, Cemetery, or other Public Works issues, or for response to other City issues, please fill out the form below. Work orders will be generated and sent to the proper department, other City issues will be routed to the correct City Department for response. When requesting a work order, please include as much information about the location of the issue, such as directional guides for

side of street or corner location to help our crews identify the problem. If reporting a street light out, we need to know which address and/or street corner (NW, SW, SE, NE) as well as whether the light is completely out, or blinking. For emergency issues please call City Hall directly to report your issue at 405-390-8198.
