

Pop Up Shops

June 11th, 2016 from 10am til 5pm at Choctaw Creek Park

Map and List of Vendors for June Event

The City of Choctaw will be hosting a Pop Up Shops event in June. Pop Up Shops is a traveling show that supports special causes. They have over 100 boutiques, crafters, junkers, small businesses and more who gather together and pop up their shops for an amazing shopping experience. There will be a mouthwatering line up of food trucks to enjoy with family and friends! Live music, inflatables, face painting and a petting zoo are just a few of the fun activities that will be available for families! This event is free for families to enter and offers several ways to raise awareness to a precious cause. The first 100 shoppers that purchase a raffle ticket for one of our great prizes will receive a goody bag filled with stuff from our vendors.
