Dear Potential Sponsor,

The Choctaw Parks Foundation, Physical Therapy Central, the City of Choctaw, and Old Germany Restaurant are proud to host the Oktoberfest 100 Bike Ride on September 10th, 2016 in conjunction with Old Germany's 26th Annual Choctaw Oktoberfest at the beautiful Choctaw Creek Park in Choctaw, Oklahoma.

The Choctaw Parks Foundation is a 501c3 that was established to enable the citizens of Choctaw, Oklahoma to promote the acquisition, beautification and improvement of public parks, park ways and roadsides in and around Choctaw, Oklahoma.

For the past 19 years, Jeannie and Herb Abts have dedicated themselves to the beautification of Choctaw through their landscaping efforts. What was once a "brush heap" between the railroad tracks and 23rd Street is now the Historical Sculptures Gardens, 12 separate garden plots of various seasonal flowers, shrubs, and trees.

Within each plot is a life-sized replica representing the Land Run of 1889. The first is of a man shooting a gun into the air to start the Run, followed by various riders and wagons making their way, ending with cattlemen herding cows and farmers working in a vegetable garden.

To support the Foundation, the Oktoberfest 100 Bike Ride will be a fun and challenging event for all ages with great exposure for your business as it will be held in celebration with Choctaw Oktoberfest which *expects over 50,000 attendees*. We invite you and your company to partner in this year's event by becoming a corporate sponsor. On the following page, you will find the sponsorship opportunities for 2016.

We believe the Oktoberfest 100 Bike Ride will be a fun family event with great opportunity to showcase your business at a low cost to you. Please contact our event coordinators Jeff Hogan or Meredith Bailey at (405) 390-1731 for more information. You may also find the Oktoberfest 100 page and event on Facebook.
